

# ***'YES' rock concert in Mobile canceled***

The rock concert by the group YES, slated for Thursday night in Mobile Municipal Auditorium, has been canceled, auditorium Assistant Manager George Juzang said Monday.

Juzang said two of the group's truck drivers quit because of the strike by independent truck drivers, and the group has canceled its date in Mobile primarily because of violence in northern Alabama associated with the truckers' strike.

The concert has not been rescheduled. Ticket refunds will be available at the place of purchase, he said.
